

		Autumn	Spring	Summer
1	Working Scientifically skills taught through the exploration of the following content:			
	Big Adventure Science NC Coverage: Animals including Humans Focus on Humans	Challenge: Publish a comic book celebrating heroes and villains from different times and places Science NC Coverage: Everyday Materials	Far Far Away <i>How can we produce a soundtrack for a traditional tale?</i> Comics Can... Science NC Coverage: Plants	Buckets and Spades <i>Plan and design a gallery that brings the seaside to the city</i> Science NC Coverage: Animals including Humans Focus on Animals Seasonal changes
2	Working Scientifically skills taught through the exploration of the following content:			
	Big Adventure NC Coverage: Living things and their Habitats	Sparks will Fly <i>How can we tell the story of fire creatively?</i> NC Coverage: Animals including Humans	Up, Up and Away <i>How can we make something fly?</i> NC Coverage: Use of Everyday Materials Space	The Really Rural Show <i>How can we recreate the countryside in our city environment?</i> NC Coverage: Plants

- Minor (typed in green) is where expectation is that it is taught in a mini topic over a period of a few days in addition to the NICER curriculum. Further guidance can be obtained directly from the New National Curriculum for Science. Minor is a mini topic that is in addition of the NICER. Links can be made to the science skills ladders, but the content needs to be linked to new National curriculum. The minor topic can be taught whenever as long as it is taught in the half term / term.
- Major (typed in red) is where the NICER curriculum is ensuring coverage. Skills to be incorporated from the Science skills ladders and ensure that the relevant NC links 'knowledge' is taught e.g. Year 4 'Crazy contraptions' Can we design and make a product which solves a problem could incorporate using an electrical circuit to make a loud sound when a light is kept on.

	Autumn	Spring	Summer
3	Working Scientifically skills taught through the exploration of the following content:		
	Big adventure NC Coverage: Magnets	Around the World in 80 Beats Compose an album of songs of the world NC Coverage: Plants	A Day at the Museum <i>How can we run our own pop-up museum?</i> NC Coverage: Light Forces
4	Working Scientifically skills taught through the exploration of the following content:		
	Big adventure NC Coverage Animals including Humans <i>Focus on Animals</i>	Bolts n' Bones <i>How can we design a fitness program?</i> NC Coverage Animals including Humans <i>Focus on Humans</i>	Time Traveller <i>How can you produce a short movie on the history of the world?</i> NC Coverage: Living things and their Habitats
