

14<sup>th</sup> October 2016

Dear Parent/Carer

On Thursday 20<sup>th</sup> October, we will be opening our Drama studio after school, to share with you our Big Adventure Gallery.

Children have been working through the Autumn term to learn all about a particular country in the world and have been working to create a gallery of their learning. During the afternoon we would have hosted some very special guests to see their learning and to represent these countries. We would have also had our Bake Off competition, where the children would have worked to plan and cook a dish to represent the country they have been learning about.

From 3.20pm, our Drama studio will be open for you to come and look at the work from each year group displayed for the gallery, and to even taste some of their Bake Off creations!

Please make your way to the junior playground after you have picked your child up from their classroom door, and you will be directed to the Drama Studio to see the outcomes.

We look forward to seeing you then.

Many thanks

Hayley Mapp  
Headteacher
