Update on Building Work

Dear Parent/Carer

As you know we are currently expanding and as a result building works are being carried out on the school premises. The start of this work was delayed by a few weeks for reasons out of our control. For this reason we have had to add an additional training day to the autumn term. This will ensure that we have adequate time to move furniture into the new building and ensure that classrooms are set up and ready for your children to safely come back to school.

The date that children will return to school after the summer holidays will be Thursday 7th September 2017.

Thank you for your cooperation and continued patience.

Kind regards

Hayley Mapp
Head Teacher
