Dear Parent/Carers

We have had complaints from local residents that parents are parking on double yellow lines, school zig zags and the middle of the road. This is a health and safety issue which could compromise the safety of your own child/ren.

Please also be aware that due the seriousness of the complaints, this problem has been reported to Sandwell Highways Agency. For the safety of both your own children and others please do not park in any of the above areas.

Could we also remind you that parents/carers are not to drive onto the playground or block the entrance gates at the rear of the school. This is for the safety of all our children and adults.

Thank you for your continued cooperation.

Yours sincerely
