2nd December 2015

Home Learning Working Party

Dear Parents/Carers,

We would like to take this opportunity to invite you to a working party; where we will be exploring ideas for Home Learning for children at Victoria Park Primary Academy.

During the session, we will be looking at some of the exciting Learning Challenges that your children undertake throughout the year. We will think about how these challenges could continue to extend their learning opportunities at home.

We are looking for parents who would be keen to help us to generate ideas for Home Learning and input into this new whole school development.

The session will take place on Wednesday 16th December at 9am, after the children's drop off. Please report to Main Reception to sign in for the session; if you would like to take part.

Refreshments will be provided.

Many thanks for your continued support

Yours sincerely

Avnish Dhesi Head of School
