Dear Parent/Carer

2012 School Meal Deal

As you will be aware the Olympic Games will be held in the UK during the summer. To get in to the 2012 spirit, here at Victoria Park Primary Academy we will be having our own 2012 healthy school meal deal.

Instead of the normal cost of £ 30.40, during the month of June we are offering the whole months school dinners at the amazing price of £20.12. This represents a great deal for those who currently have school dinners. For those children who don't have school dinners but would like to try, it is a great time for parents to take advantage of this offer.

Many parents who came to the last Parents' Evening took the opportunity to drop in to the hall and sample our school meals in a taster session. Many were surprised at just how good the food is and remember, all our food is cooked here on the premises by our own staff. If you came to Earthfest, you also know how good the food is.

We work with catering consultants to make sure that what we serve to the children is a healthy and balanced menu and we offer a meat, fish and vegetarian option every day. Please ask at the school office for a copy of our latest menu.

To take advantage of our amazing meal deal offer, complete the form below and hand it in to the school office with your £20.12 by 1st June 2012 and give your child a healthy school dinner start in June. Alternatively, complete the form and pay £6.71 weekly.

Yours sincerely
