

2nd May 2017

Dear Parent/carers

As you are aware Victoria Park Academy is currently undergoing an expansion (from 2 forms of entry to 3 forms of entry). From next year there will be 3 forms of entry in all Key stage 1 year groups.

As part of this expansion a block of 7 new classrooms is going to be built. The building work for this is due to start on Friday 5th May with the building being ready for us to use on the 1st September 2017.

The school will be open as usual and we aim to ensure that all disruption is kept to a minimum throughout this period.

Due to the situation of this building work, the car park will be out of use; as you know, streets around the school can get crowded and so for the rest of this term the top playground will be closed and used for additional staff parking. To ensure that the children have adequate space to play, the field will be used at playtimes and lunch times.

As always we thank you for your cooperation at this time

Kind Regards

Hayley Mapp
Headteacher
