★ Reception ★

Welcome back to all children and parents in Reception.

We hope you have had a good break and you and your child are ready for the exciting term we have ahead.

Our challenge this term is 'How can we recognise those who help us?' We will be learning about our community and families and the roles that we all play in supporting each other. We will be holding a 'Pop Up Tea Party' as part of our Social Enterprise Challenge 'making a special tea using Ballot Street Spices'.

Family Sessions

We will be introducing stay, play and learn sessions this term. You will be invited to come into school and take part in some of the activities that we offer to help children learn.

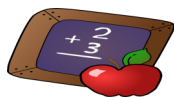

Trips and Visits

This term we are hoping to visit Asda Café and St. Matthews Church. More details to follow.

Mathematics

We will be using numicon shapes to help us build upon our understanding of number and explore early addition and subtraction.

Reading Books

We aim to encourage our children to develop a love of reading.

Please support this by making sure you read with your child on a regular basis and complete the reading record. Please remember, reading books need to be in school every day.

Freddie Phonics

This term, children will be moved into smaller groups for phonics. This will help them to progress more rapidly in their reading and writing. We are sure that you will be amazed by how quickly your children are able to form letters and write words.
