

Foundation News...

 **Reception** 

We hope you have had a fantastic break over the Easter holidays. We welcome you back into what will be another exciting and memorable term at Victoria Park.

Our challenge this term is 'How can we make outdoors magical?' We will be learning about the outdoor environment and designing and making magical items to enhance the outdoors.

Family Sessions

Stay play and learn sessions will continue this term, every Wednesday from 8.45am-9.30am. We hope that you will be able to come along and join in with activities.

Reading Books

We aim to encourage our children to develop a love of reading.

Please support us by making sure you read with your child on a regular basis.

Milk Money

Once your child reaches the age of five, milk is no longer free. If you wish your child to continue having milk after their fifth birthday, please go to the school office to pay for this

Trips and Visits

In June we will be visiting Ray's Farm in rural Telford, to see how magical their outdoors is.

We will be visiting the library and asking parents to join us.

More details to follow.

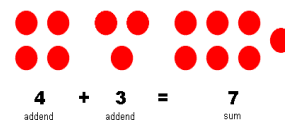

Freddie Phonics

This term we will be working hard to to read and write words and sentences. If you would like any support or advice in helping your child to read and write, please feel free to ask a member of staff

Maths

We will be exploring early addition and subtraction and continuing to build up our problem solving skills.

4 + 3 = 7
