

18th May 2017

Dear Parent/Carer

RE: Videography Celebration Day 2017 26th May 2017.

Earlier this week, the pupils in 5J launched the VPA Videography Project 2017. The purpose of this project is to develop learning opportunities in more alternative arts and culture subjects i.e. videography. The children throughout the school will be participating in lots of exciting activities and will learn how to use various apps such as: iMovie, Spark Video and Green Screen by Do Ink.

We would like to invite you to join us in helping your child to make the most of this special occasion. On Friday 26th May (the last day of this half term) we would like the children to dress up as their favourite film character to celebrate the end of the project. The costume can be as simple or as elaborate as you like!

We hope this project helps to actively promote arts and culture as a genuine career choice and that the children enjoy and learn lots of new skills.

Thank you for your continued support in helping us champion the arts and we look forward to seeing who your child decides to be on the celebration day.

Yours Sincerely,

Miss Johnston
Year 5 Teacher and Art Leader
