

# Victoria Park Primary Academy Year 6 News

Spring Term  
2018

## Happy New Year!

We hope you all had a great break and are ready for a challenging term. There are now around 14 school weeks until SATs so your children will be working really hard to gain the best levels possible. We will support your children in school and do everything we can. You will need to ensure they complete their homework, come to school every day and have a good night's sleep. Remember we are all on the 'same team' – we all want your child to do the best they can!

## Reading

We will be looking at a range of stories, poetry, non fiction and fiction texts and answering a variety of questions about them. The pupils will also have access to a RM books online.

## Writing

Each week the pupils will be completing a Big Write on a specific writing genre. In turn, a selection of their best pieces of work will be put towards creating a writing portfolio. This portfolio will count towards your child's final level for English so it is important that they try their hardest at all times.

## Numeracy

In Maths, we will be looking carefully at + - x and ÷ and using our knowledge of these operations to complete various calculations and word problems. We will also be revising all aspects of mathematics including fractions, percentages and measures amongst many other concepts.

Our Creative Curriculum Topic this term is :  
**Goblins and Ghouls**

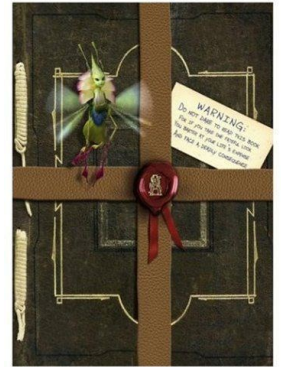

We will be focusing on the film  
Spiderwick and completing a range of tasks using  
this as a stimulus.

## Homework

Maths and English homework will be sent home on Fridays as well as a Flipped Learning tasks. Your child will also be required to take home their laptops and complete ongoing revision tasks.

Spelling and times table tests will take place each week so please ensure that your child is completing regular revision. Please help your child to learn their spellings at home by revising the words in their log books, spelling them and writing them down.

## P.E

This term we will be taking part in invasion games and fitness in our P.E lessons.

Please make sure your child's kit is in school every **Wednesday and Friday**

## Reading

Please listen to your child read at home as much as possible! Reading books will be changed regularly.

Remember you can use your local library to ensure your child has a broad reading experience.

Don't forget that your child can access range of educational software such as Bug Club, Manga High, MyMaths, Mathletics and the class website, where a variety of revision resources are available.
