

24th November 2016

Dear Parents/Carers

Science Fair at Devonshire Junior Academy

Staff and children at Devonshire Junior Academy have kindly invited a select few children from Year 5 to take part in their Science Fair on the 30th November 2016, to which your child has been chosen. The children will attend school as normal and will be taken by minibus to Devonshire Junior later that morning, where they will stay for most of the day and return in time for home time.

During the day they will share experiments they have been doing in class with one another and present their findings. Later they will do some fun 'getting to know you' sports games therefore they will need to bring their own packed lunch (if your child is free school meals a lunch will be provided by us). After lunch they will watch a fantastic rocket launch and finally take a look around the science fair, which is part of Devonshire Juniors learning challenge.

Please complete the consent form below, as well as the attached medical form and return it to school as soon as possible so arrangements for the trip can be finalised.

Yours sincerely,

Miss Sconce and Miss Johnston
Year 5 Teachers

Science Fair at Devonshire Junior Academy

I give permission for my child to visit Devonshire Junior School on 30th November 2016
