15th February 2018

To: All Parents/Carers

Dear Parents/Carers

We have now completed the first half term of 2018 and hope you all enjoy your break. We finish on 15th February 2018 (Friday 16th is a teacher training day) and return on Monday 26th February 2018.

We would just like to take this opportunity to remind parents and carers that all children should be in the school playground by 8.45 a.m. Side doors will close promptly at this time. Any children arriving late will need to go through the office where they will be given a late card so the teacher knows their attendance has been noted.

I feel sure you will agree with us that your child's education is paramount and hope that you will support us by getting them to school on time and prepared to start their day.

We look forward to seeing you on 26th February.

Yours sincerely

Mrs H Mapp
Headteacher
