

Victoria Park Primary Academy

Nursery Newsletter Summer 2018

Learning in Nursery.

This term is going to be an exciting one, with many different activities taking place throughout, both inside and outside.

Our challenge for the term is 'How can we make some friends that are further away?' so we will be generating, deciding and implementing all our ideas to make this happen. Starting as always with our friends at school and then looking at friends that are further away.

Learning in Nursery is child-led and based around building on firm skills based foundations. Your child's interests are the most important, so please share with us, in order to help us plan activities that your child will find engaging.

A new 'Wow moments' book will be sent home weekly so that any interests can be shared and included in the daily experiences that are planned for your child at school.

Wow Moments

Welcome back

All staff in Nursery would like to say a big welcome back to all the children and parents after the holiday

Dates for you to put on your calendar!!!

Friday 27th April Visit from a Librarian—Parents please join us in Nursery!

Friday 4th May Pyjama party in Nursery.

Reminders

Please ensure your child brings a spare set of clothes to keep at Nursery.

Wellingtons and outdoor water-proofs are also appreciated as we encourage outdoor learning daily.

Books to share.

Your child now has a school book bag. Please ensure it comes to school daily so that they have the opportunity to bring a book home to share. The joy of a book is endless. As a parent you can assist in the choice of book when you pick your child up.

And finally

As a trust, as a school, and as a nursery we follow the core value of F.I.D.E.S

A clear focus on 'Family' and if you have any concerns at all about your child, or any questions please speak to a member of Nursery staff.

We believe in working together and are always happy to help with any queries.
