

# Year 5 Newsletter, Summer Term 2018.

## Welcome back!!

We hope you had a great Easter holiday and are ready for a fun and hard working year. Our topic for this term is **Castle Attack!!**

### Castle Attack

We will be exploring the medieval period and will be researching different castles around the UK. We will even have the opportunity to re-enact a castle attack as well as put together a banquet to celebrate our learning. The Children will also be visiting Kenilworth castle in Summer 2.

How can you help your child at home!

- Times table and spelling tests take place every week (test them when possible.)
- Literacy and numeracy homework will be given out on a Friday and should be handed in by the following Wednesday (support them and try to ensure they get it done.)
- Flipped homework will also be given out to give your child a head start for the following week.

Please try and listen to your child read at least three times a week – this will have a massive impact on your their progress in all subjects.

### Recommended websites

Your child will have access to RM Unify which, will allow them to use really useful websites like: My Maths, Manga High, Active Laern, RM Books and Bug Club.
