COUNTDOWN**

How can you help your child at home!

It is important that your child revises areas that they find difficult. Pupils are encouraged to take home their devices and have been provided with several English and Maths packs as well as electronic revision resources. Please ensure that they use their time wisely; 30-60 mins a few times a week is always a good starting point!

Islamic Exhibition

In June , pupils will be visiting the Islamic exhibition centre and creating their own religious exhibition.

Leavers Production

Following a long line of tradition, year 6 will be putting on an epic leavers' production to wow and entertain pupils, staff and parents alike!

Prom, leavers ceremony,...goodbye

Just before year 6 up and leave the nest, we like to give them a great send off.

Therefore, all pupils are invited to party the early evening away at our leavers prom! They will then have a formal leavers ceremony to celebrate their time at VPPA.
