## *After School Clubs*

*We are delighted to introduce our new range of teacher-led clubs.*

*The clubs will start in January 2019 so please return the form as soon as possible if you would like to take part.*

*All forms are to be returned to School Office by  
Tuesday 8th January 2019*

Over the next few pages you can discover all of the new clubs selected to reflect our children and our teacher's interests.

Some will run over one term, others will run until the end of summer.

There are no charges for any clubs.

Places are limited: if there are not enough spaces for all children, places will be allocated by a random draw.

If a child is collected late on more than one occasion from a club then their place will be withdrawn and offered to another.

Please return all applications by the deadline. Successful applications will be notified by the school office before the club starts.

Dance is a fun and exciting form of exercise and a great way to keep fit. The class will cover different genres of dance including contemporary, hip hop, and jazz. This will help to develop co-ordination, technique, performance skills and the capacity for movement memory. Our after school club will provide the children with the opportunity to have fun and be creative while learning new skills and gaining fresh experiences.
