## Summer term 2019

Summer time and the children will be busy. ....

Thank you to all the support you gave last term, well done to the Nursery children on Thursday 4th April when we welcomed Birchen Coppice Academy Nursery and yourselves to our parade. It had all been organised and created by the children.

We seized success on the day and much fun was had by all.

### Focus in prime areas

**Communication and language** - beginning to talk in complex sentences about what they are doing. Listening and understanding different instructions. Using different tenses in our sentences

**Physical development** - caring for own needs and developing a dominant hand to begin to write recognisable letters.

**Personal, social and emotional needs** - tolerating change in routines and negotiating with friends.

### Learning in Nursery

This term is going to be an exciting one, with many different activities taking place throughout, both inside and outside.

Our challenge for the term is 'How can we make some friends that are further away?' so we will be generating, deciding and implementing all our ideas to make this happen. Starting as always with our friends at school and then looking at friends that are further away.

### Focus in specific areas.

**Literacy** - giving meaning to our different mark making. Describing a main theme in a story that we have listened to. Hearing sounds in words and beginning to write letters.

**Mathematics** - Beginning to count sets of objects with accuracy. Using the language of shape and size. Comparing groups of objects. Using the language of more and less.

**Expressive arts and design** - singing a range of familiar songs, exploring different media expressing preferences. Using tools for a purpose.

**Understanding the world** - talking about themselves and family. Looking at their environment, changes and how things work. Using technology to support learning.

### *Important dates*

Nursery will be going on a trip to  
Birchen Coppice Academy

Thursday 27th June - Nursery AM

Friday 28th June—Nursery PM

More details to follow.

### F.I.D.E.S

We seize success in Nursery by using twitter to share our happiness.  
Look at the school twitter account to share the happiness.

### One big family!

We would love to know about your child's achievements out of school. If your child has any certificates or badges from outside of school please bring these in so we can talk about them with your child and their friends.

### Remember...

Please write your child's name clearly inside any items of clothing that your child wears to nursery, as well as any spare clothing they bring with them. A change of clothes in a bag can be kept in school at all times in case of accidents.
