Autumn Term 2019

Welcome to Nursery!

We would like to say a big welcome to all of our children and families. We hope that this year will be a happy and exciting experience for you and your child.

Mrs Herbert and Mrs Kaur are happy to talk and answer any questions you may have, don't hesitate to ask.

Focus in prime areas

Communication and language - talking in simple sentences about what they are doing. Listening and understanding simple instructions.

Physical development - caring for own needs and developing their gross and fine motor skills.

Personal, social and emotional needs - having own likes and dislikes, beginning to share with others, playing with others and alongside others and separating from main carer.

Focus in specific areas.

Literacy - mark making in different ways. Recognising print in the classroom and developing a love of books.

Mathematics - using number names in order in songs and other ways, beginning to see shapes in the classroom. Filling and emptying containers using associated language.

Expressive arts and design - singing a range of familiar songs, exploring different media e.g. paint, dance, and gloop

Understanding the world - talking about themselves and family. Looking at their environment, changes and how things work.

Learning in Nursery

We plan our activities based around the interests of the children in nursery. This approach motivates children to want to learn, and also engages the children and ensures their time with us is enjoyable and exciting.

Your child will be developing skills through 7 areas of learning and development (split into prime areas and specific areas)

Our NICER challenge is 'A Big Adventure' and our adventure will be starting Nursery.

Important dates

Any important dates will be given by notices on nursery door or by

Parentmail

Please speak to the lovely ladies in the main school office about registering onto the Parentmail system to receive regular

F.I.D.E.S

Our FIDES focus will be 'Focus on Family'

Watch this space for ways that you can help!!!!

One big family!

We would love to know about your child's achievements out of school. If your child has any certificates or badges from outside of school please bring these in so we can talk about them with your child and their friends.

Remember...

Please write your child's name clearly inside any items of clothing that your child wears to nursery, as well as any spare clothing they bring with them. A change of clothes in a bag can be kept in school at all times in case of accidents.
