

Home learning – Spring term planner

Year: **Three**

Challenge Pack: *A Day at the Museum – How can we make our own pop-up museum?*

Here is a list of the maths, spelling and NICER homework set by your teachers for this term.

Spellings will be tested at the end of the week.

Your flipped homework will help you to prepare for the learning that you will do in class over the next week. If you are unable to find time or resources at home, please ask your teacher and they will find you some time in school.

Most importantly of all though – ***please read at home!*** With an adult, an older brother or sister, or by yourself – Nothing will make a ***bigger impact*** to you as a learner. Or – log on and test yourself with you Reading Plus account!

Week starting:	Maths:	Spellings:	Reading:	NICER Flipped Homework – how can we prepare for the week ahead?
04.01.22	Divide 100 into 2,4,5 and 10 equal parts.
