

# Curriculum | Medium Term Plan – Spring 2024 – Year Six

Victoria Park  
Primary Academy

Challenge Pack:	<b>Staying safe; the journey ahead</b>	Challenge outcome:	Peer to peer fitness and wellbeing workshop. SAT's revision guide	NC Year: Length of term:	<b>(5 &amp; 5 weeks)</b>
Summary:	During this challenge, children will use a deep understanding of a style of writing and genre to showcase their own skills as writers and bring in knowledge from Reading, Science, ICT, PSHE and PE to support their writing pieces. Throughout the term, some discrete learning will be included to ensure children understand keeping themselves safe online and in person. The children will then consolidate this knowledge to create a peer-to-peer fitness and wellbeing workshop and a SAT's style revision guide for their peers.				
Key texts:	<u>Fiction:</u> Wonder Diary of a wimpy kid Troll stinks	<b>Trips and visits:</b>		<b>Inspire parent sessions:</b>	6JD 6/3/24 6MA 20/3/24 6MC 13/3/24
	<u>Non-Fiction:</u> Marcus Rashford You are awesome	<b>Science Units</b>	Animals including Humans	<b>PE:</b>  <b>Music:</b>	Personal, social, cognitive, creative, Applying Physical, Health and Fitness  Keyboards
 Physical Oracy (Voice, Body Language)	 Linguistic Oracy (Vocabulary, language, rhetorical techniques)	 Cognitive Oracy (Content, Structure, clarifying and summarizing, self-regulation and Reasoning)	 Social & Emotional Oracy (Working with others, Listening and responding, Confidence in speaking, Audience Awareness)		

	Maths:	English:	Phonics: VIPERS text:	NICER:	Discrete/Special events:
08.01.24 (1)	<p>Area of Learning – Decimals</p> <p>Knowledge and skills –</p> <ul style="list-style-type: none"> <li>- Decimals up to 2 decimal places</li> <li>- Three decimal places</li> <li>- Multiply by 10, 100 and 1,000</li> <li>- Multiply by 10, 100 and 1,000</li> <li>- Divide by 10, 100 and 1,000</li> </ul> <p>Mental Maths focus: Arithmetic – back to basics – four operations</p>	<p><b>Purpose:</b> inform</p> <p><b>Text type:</b> Non-Chronological Report</p> <p>Write a non-chronological report on healthy eating and exercise</p> <p>Examine features, create subheadings, research healthy eating (NICER), exercise etc, plan, write NCR, edit and up level (use pupil skill ladders)</p> <p><b>Knowledge and Skills:</b></p> <ul style="list-style-type: none"> <li>• Accurate sentences (high 5 sentences)</li> <li>• full range of taught punctuation, in the correct tense, correct verb choice, Standard English)</li> <li>• Sentences are logically sequenced</li> </ul> <p>Themed paragraphs that link</p>	<p><b>Reading for pleasure Wonder</b></p> <p><b>Vipers-</b> ordinary/ why I didn't go to school</p> <ul style="list-style-type: none"> <li>-Vocabulary</li> <li>-Close Reading</li> <li>-Comprehension</li> <li>-Reading for pleasure/ Reading Plus</li> <li>-Reading games/ Reading Plus</li> </ul> <p>2014SATs Reading –focus on information retrieval</p>	<p><b>Positive life choices</b> Introduce the challenge pack- identifying what factors impact our physical and mental wellbeing.</p> <p><b>Killer Questions</b> <b>What kind of diet do humans need to survive? How do we need to keep ourselves safe physically and mentally in our world?</b></p> <div style="display: flex; align-items: center; margin-bottom: 10px;">  <div style="margin-left: 10px; color: green;">Identify the outline of the task.</div> </div> <div style="display: flex; align-items: center;">  <div style="margin-left: 10px; color: green;">Gather and organise key information about the topic.</div> </div> <p><b>Link to challenge outcome (for weeks learning) – Children will identify the purpose of the challenge and begin to gather and organise key information.</b></p>	Monday Staff Training
	Homework	<p><b>Number bond or timetables practise:</b> Rapid Recall of all different timetables</p>	<p><b>Spellings:</b> Adding suffixes beginning with vowel letter to words ending in -fer</p>	<p><b>Rocket Phonics Levelled reader Reading Plus</b></p>	<p><b>Flipped homework:</b> examine features of a Non-chronological report.</p>

15.01.24 (2)	<p>Area of Learning – Decimals</p> <p>Knowledge and skills –</p> <ul style="list-style-type: none"> <li>- Multiply decimals by integers</li> <li>- Divide decimals by integers</li> <li>- Division to solve problems</li> <li>- Decimals as fractions</li> <li>- Fractions to decimals</li> </ul> <p>Mental maths focus: Multiply and divide by 10, 100, 1000</p>	<p><b>Purpose:</b> inform</p> <p><b>Text type:</b> Non-Chronological Report</p> <p>Write a non-chronological report on healthy eating and exercise</p> <p>Examine features, create subheadings, research healthy eating, exercise etc, plan, write NCR, edit and up level (use pupil skill ladders)</p> <p><b>Knowledge and Skills:</b></p> <ul style="list-style-type: none"> <li>• Accurate sentences (high 5 sentences)</li> <li>• full range of taught punctuation, in the correct tense, correct verb choice, Standard English)</li> <li>• Sentences are logically sequenced</li> <li>• Themed paragraphs that link</li> </ul>	<p><b>Reading for pleasure</b> Wonder</p> <p><b>Vipers-</b> how I came to life and Christopher’s house</p> <ul style="list-style-type: none"> <li>-Vocabulary</li> <li>-Close Reading</li> <li>-Comprehension</li> <li>-Reading for pleasure/ Reading Plus</li> <li>-Reading games/ Reading Plus</li> </ul> <p>2014SATs Reading –focus on information retrieval</p>	<p><b>What a transport system!!</b></p> <p>Identifying the parts of the circulatory system and their purpose. Children will then create detailed art work showcasing their knowledge of cells, vessels and the heart.</p> <p><b>Killer Questions</b></p> <p>Explain the purpose and process of the heart in humans and animals. How does blood travel around the body? What does the blood do when flowing around?</p> <p><b>S3.1h As Scientists WALT-</b> identify and name the main parts of the human circulatory system, <b>Outcome:</b> Chn will identify the components of blood, describe their functions and name the three types of blood vessels.</p> <p><b>A3.2b As artists WALT-</b> draw with increasing accuracy so that we can use perspective and proportions. <b>Outcome:</b> Chn will sketch blood cells showing texture and from.</p> <p><b>A3.3c As artists WALT-</b> choose appropriate brushes and tools to apply paint for a desired effect. <b>Outcome:</b> Chn will create a painting of the blood cells.</p> <p><b>Link to challenge outcome (for weeks learning) –</b> Children will be able to identify the main parts of the circulatory system and begin to understand the importance of keeping our bodies healthy.</p>	<p>Martin Luther King Day</p> <p>Winnie the Pooh day</p> <p>Lunar New Year</p> <p>Chinese New Year</p>
	Homework	<p><b>Number bond or timetables practise:</b></p> <p>Timetables practise: 4 x, 3 x tables focussing on all 4 number sentences for each calculation</p>	<p><b>Spellings:</b> Week 2 Words with a long /e/ sound spelt ‘ie’ or ‘ei’ after c (and exceptions)</p>	<p><b>Reading book/ Reading Plus</b></p>	<p><b>Flipped homework:</b> identify features of a diary.</p>

<p>Area of Learning – Percentages</p> <p>Knowledge and skills –</p> <ul style="list-style-type: none"> <li>- Understand percentages</li> <li>- Fractions to percentages</li> <li>- Equivalent FDP</li> <li>- Order FDP</li> </ul> <p>Mental Maths Focus</p> <ul style="list-style-type: none"> <li>- Decimals as fractions</li> <li>- Fractions as decimals</li> </ul>	<p><b>Purpose:</b> Entertain</p> <p><b>Text type:</b> Diary</p> <p>Write a diary of a bully (style of Diary of a Wimpy Kid)</p> <p>Examine features, class interview/discussion Is it ever right to bully a bully(role-play), look at victim’s perspective, look at bully’s perspective (why do they bully people, deeply unhappy, don’t understand other peoples’ point of view etc) plan, write a diary (up to 3 entries), edit and up level using pupil skills ladders</p> <p><b>Knowledge and Skills:</b></p> <ul style="list-style-type: none"> <li>• Use expanded noun phrases,</li> <li>• Use adventurous vocab choices,</li> <li>• Use relative clauses</li> <li>• Use a range of verb forms (including the perfect form) to develop meaning and maintain appropriate tense choices</li> <li>• Know and follow the rules of Standard English.</li> <li>• Use passive verbs in a sentence</li> <li>• Recognise and use figurative language</li> </ul>	<p><b>Reading for pleasure</b> Wonder</p> <p><b>Vipers-</b> Driving/paging Mr Tushman</p> <ul style="list-style-type: none"> <li>-Vocabulary</li> <li>-Close Reading</li> <li>-Comprehension</li> <li>-Reading for pleasure/ Reading Plus</li> <li>-Reading games/ Reading Plus</li> </ul> <p>2015 SATS Reading-focus on inference and deduction</p>	<p><b>What a transport system!!</b></p> <p>Children will be given the opportunity to explore the circulatory system further using a range of scientific thinking skills. They will then move onto looking at how the body transports nutrients and water around.</p> <p><b>Killer Questions</b></p> <p>Explain the purpose and process of the heart in humans and animals. How does blood travel around the body? What does the blood do when flowing around? How do nutrients and water become transported around the body?</p> <p><b>S3.1h As Scientists WALT-</b> identify and name the main parts of the human circulatory system, <b>Outcome:</b> Chn will identify the structure and function of the human heart.</p> <p><b>A3.2b As artists WALT-</b> draw with increasing accuracy so that we can use perspective and proportions. <b>Outcome:</b> Chn will sketch their own labelled version of a human heart.</p> <p><b>S3.1j As Scientists WALT-</b> describe the ways in which nutrients and water are transported within animals, including humans. <b>Outcome:</b> Chn will be able to explain that nutrients are transported around the body in blood.</p> <p><b>Link to challenge outcome (for weeks learning) –</b></p> <p>Children will be able to identify the main parts of the circulatory system and explain how nutrients and water are transported throughout the human body. They will use exploratory talk to better understand the role of blood and the circulatory system.</p>	<p><b>World Handwriting day</b></p> <p>Burns Night</p> <p><b>Big Garden Birdwatch</b></p> <p>Holocaust memorial day</p>
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------

Homework	<b>Number bond or timetables practise:</b> 8 x, 6 x tables focussing on all 4 number sentences for each calculation	<b>Spellings:</b> Words with a long /e/ sound spelt 'ie' or 'ei' after c (and exceptions)	<b>Levelled reader Reading Plus</b>	<b>Flipped homework:</b> Simple, compound and complex sentence activities	<b>5JS Class assembly 2KK INSPIRE</b>
----------	------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------	-------------------------------------	---------------------------------------------------------------------------	-------------------------------------------

<p>Area of Learning – Percentages</p> <p>Knowledge and skills – -Percentage of an amount - Percentage of an amount - Percentages – missing values - Reasoning problems</p> <p>Mental Maths Focus – Fractions to percentages</p>	<p><b>Purpose:</b> Entertain</p> <p><b>Text type:</b> Diary</p> <p>Write a diary of a bully (style of Diary of a Wimpy Kid) Examine features, class interview/discussion Is it ever right to bully a bully(role-play), look at victim’s perspective, look at bully’s perspective (why do they bully people, deeply unhappy, don’t understand other peoples’ point of view etc) plan, write a diary (up to 3 entries), edit and up level using pupil skills ladders</p> <p><b>Knowledge and Skills:</b></p> <ul style="list-style-type: none"> <li>• Use expanded noun phrases,</li> <li>• Use adventurous vocab choices,</li> <li>• Use relative clauses</li> <li>• Use a range of verb forms (including the perfect form) to develop meaning and maintain appropriate tense choices</li> <li>• Know and follow the rules of Standard English.</li> <li>• Use passive verbs in a sentence</li> <li>• Recognise and use figurative language</li> </ul>	<p><b>Reading for pleasure</b> Wonder</p> <p><b>Vipers-</b> Nice Mrs. Garcia/ Jack Will and Charlotte</p> <p>-Vocabulary -Close Reading -Comprehension -Reading for pleasure/ Reading Plus -Reading games/ Reading Plus</p> <p>2015 SATS Reading-focus on inference and deduction</p>	<p><b>Healthy lifestyle</b> Children will be explore the impact of diet and drugs on the human body. They will then use multimedia to produce a short advert explaining the benefits of a healthy lifestyle.</p> <p><b>Killer Questions</b> How does having a healthy diet affect the body? What kind of situations (positive and negative) might have an effect on the heart and cause it to beat faster?</p> <p><b>As Scientists WALT-</b> recognise the impact of diet, exercise and drugs on the way our bodies function. <b>Outcome:</b> Chn will identify aspects of a healthy/ unhealthy diet. They will be able to explain types of exercise and the amounts needed for children/ adults. <b>S3.1i, S3.1g</b></p> <p><b>D3.5a As technicians WALT-</b> explain and apply the principles of a healthy varied diet. <b>Outcome:</b> Chn will be able to explain the importance of eating a healthy balanced diet</p> <p><b>C3.2a As Digital technicians WALT-</b> combine a range of multimedia so that we can develop a TV advert. <b>Outcome:</b> Chn will create a TV advert to highlight healthy diet and lifestyle.</p> <p><b>Link to challenge outcome (for weeks learning) –</b> Children will be able to identify the key aspects of a healthy lifestyle. They will use exploratory talk to better understand the role of diet, exercise and drugs on a healthy/ unhealthy lifestyle.</p>	<p><b>National storytelling week</b></p> <p>Time to talk day</p> <p>Rosa Parks Day</p> <p>LGBT History month</p> <p>World Cancer day</p>

## Area of Learning – Angles

- Introduce angles, draw lines and angles accurately
- Angles on a straight line
- Angles in a triangle
- Calculate angles
- Angles SAT's questions

Mental Maths Focus – Arithmetic

**Purpose: Inform****Text type: Instructions**

Examine features of instructions, class discussion, plan, write, up level using skills ladders.

**Knowledge and Skills:**

- Use expanded noun phrases,
- Use adventurous vocab choices,
- Use relative clauses
- Use a range of verb forms (including the perfect form) to develop meaning and maintain appropriate tense choices
- Know and follow the rules of Standard English.
- Use passive verbs in a sentence
- Recognise and use figurative language

**Reading for pleasure** Wonder

**Vipers-** read first day jitters/ locks

- Vocabulary
- Close Reading
- Comprehension
- Reading for pleasure/ Reading Plus
- Reading games/ Reading Plus

**SAT's how to keep ourselves mentally healthy.**

Children will explore what emotions are healthy and unhealthy during SAT's and we will discuss coping strategies.

**Killer questions**

**How do we keep ourselves safe physically and mentally in our world?**

**PSHE B3.7 As citizens WALT-identify when emotions are expressed in healthy and unhealthy ways.**

**Outcome: SATS coping strategies**

**PSHE B3.4 As citizens discuss when emotions relate to real life situations-**

**Outcome: SATS coping strategies, SATs talk-pressure-coping strategies**

**Link to challenge outcome (for weeks learning) –**

**Children will be able to explain the causes for healthy and unhealthy mind-sets and discuss ways in which to support them.**

World Wildlife day

St David's Day

Fair Trade Fortnight

**Number bond or timetables practise:** Mixture of all different timetables

**Spellings:** Words with endings which sound like /shuhl/ after a vowel letter

**Rocket Phonics Levelled reader Reading Plus**

**Flipped homework:** Identify features of instructions.
