Our Values

Unity

We know that by working together we are stronger than working alone.

Integrity

We always do what we believe is right and true. We show kindness and respect to others.

Courage

We are willing to take on challenges with enthusiasm, determination, and resilience.

Curiosity

We have a passion to learn, explore and discover new things.

Excellence

We learn from our mistakes, always working to become the best we can be.

Introduction

In October 2023, a group of children from across all our schools came together as 'Values Champions'.

They have been thinking about how our schools show our values every day and have all worked together to write this book. This book will help children in all our schools understand our values of:

- **Unity**
- **Integrity**
- **Courage**
- **Curiosity**
- **Excellence**

It will also show how these values are important in every one of our schools.

Our Values Champions will share this book at our first ever whole Trust 'Values Day' in June 2024.

We hope you enjoy reading about our values and how we make them happen at Victoria Academies Trust.

EXCELLENCE

Time to think about our Values...

Think about our values and how you can help to make them happen in our schools and communities:

For each Value:

- Make sure you know what the word means.
- Read the ideas that our Values Champions have come up with. Do you agree? Can you add any more?
- How can you show these values outside of school?
- Which values do you think you could be even better at?
- Why not share your ideas with our Values Champions so they can talk about these at our meetings with all our Victoria Academies Trust schools?
- Which of our values do you think you are good at showing?

A Special Thank you

This book was written and produced by Victoria Academies Trust's Values Champion children.
