

Year 3 Autumn Home Learning

Activities

Use an atlas to locate countries of the world.

Can you find out the names of capital cities of Spain, Jamaica and some other countries.

Find out amazing facts all about the city of Barcelona.

Maybe you could create a holiday advert for someone visiting the city.

Use books and other resources to find out why Hinduism is important to some of our families in school.

Find out about the main celebrations that take place in Spain such as,

Flamenco dancing.
La Tomatina

Locate Spain and Jamaica on a map.
Which one is nearest to the U.K.?

- What traditional celebrations do we have in the U.K this term?
- What can you find out about them and how can you be creative with the information?

History

What can you find out about different world foods?

Create your own menu of things you would like to try.

Well being

- Encourage your child to tell you all about their learning in school.
- Encourage them to talk about their feelings and create posters encouraging positive thoughts

Creativity

There are some amazing buildings in Spain. Can you create some models of them using cardboard and other materials you can find at home?
